To the United States District Court:

Cancio, Nadal, Rivera & Díaz, P.S.C. (“CNRD”), attorneys for the Puerto Rico Electric Power Authority (“PREPA”) in the above-captioned Title III cases (“Title III Cases”), hereby submits this second application (“Application”) for an award of interim compensation for professional services rendered in the amount of \$273,165.00, and reimbursement for actual and necessary expenses incurred in connection with such services in the amount of \$1,458.10, for the period from October 1, 2017 through December 31, 2017 (the “Second Interim Period”).

The instant Application is submitted pursuant to sections 316 and 317 of the *Puerto Rico Oversight, Management, and Economic Stability Act* (“PROMESA”), 48 U.S.C. §§ 2176, 2177; sections 105(a) and 503(b) of the *Bankruptcy Code*, 11 U.S.C. § 503(b); Rule 2016(a) of the *Federal Rules of Bankruptcy Procedure* (the “Bankruptcy Rules”); Rule 2016-1 of the *Bankruptcy Rules for the United States Bankruptcy Court for the District of Puerto Rico* (the “Local Rules”); the *First Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (“Interim Compensation Order”) (Case no. 17-3283-LTS; Dkt. no. 1715); the United States Trustee’s *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Large Chapter 11 Cases Effective as of November 1, 2013* (“UST Guidelines”), and the Fee Review-Timeline and Process Memorandum prepared by the Fee Examiner². In support of the Application, CNRD submits the Certification of Arturo Díaz-Angueira (the “CNRD Certification”), attached hereto as **Exhibit A**, and respectfully represents as follows:

² The Fee Review – Timeline and Process Memorandum submitted on November 10, 2017, to all PROMESA Title III Professionals.

I. Introduction

1. CNRD has served as counsel to PREPA uninterruptedly for the past (9) years. PREPA requested CNRD to represent it in all matters related to PROMESA beginning on July 1, 2017. PREPA is one of the Debtors represented by the Financial Oversight and Management Board (“FOMB”) in the Title III cases.

2. During the Second Interim Period, CNRD performed a variety legal services that were necessary and appropriate for the efficient and economical resolution of PREPA’s interests in the Title III Cases and its business, including, among other things: meeting and conferring with PREPA’s officers and employed professionals; providing local counsel and federal litigation expertise; advising PREPA of its powers and duties under Title III proceedings; advising PREPA in regards to several actions taken against the estate; advising PREPA of several available actions to protect and procure revenues or recovery of assets of the estate; representing PREPA at court hearings as local counsel; preparing on behalf of PREPA motions, applications, orders, and other legal documents and advising PREPA with respect to bankruptcy, labor, employment, contracts, and litigation issues concerning the bankruptcy proceedings and stayed litigation.

3. CNRD’s work during the Second Interim Period was necessary for, and beneficial to, PREPA and served to ensure that the interests of PREPA were properly represented and safeguarded in these Title III Cases. CNRD respectfully requests the Court to award the fees and expenses requested in this Application.

II. Jurisdiction

4. The United States District Court for the District of Puerto Rico (the “Court”) has subject matter jurisdiction over this matter pursuant to PROMESA section 306(a).

5. Venue is proper pursuant to PROMESA section 307(a).

6. The statutory bases for the relief requested herein are PROMESA sections 316 and 317 and Bankruptcy Code section 105(a), made applicable in this Title III Case pursuant to PROMESA section 301(a).

III. Background

7. On June 30, 2016, the Federal Oversight and Management Board (the “Oversight Board”) was established under PROMESA section 101(b).

8. On August 31, 2016, President Obama appointed the Oversight Board’s seven voting members.

9. On September 30, 2016, the Oversight Board designated PREPA as a “covered territorial instrumentality” under PROMESA section 101(d).

10. On May 3, 2017, the Oversight Board filed a voluntary petition for relief for the Commonwealth pursuant to section 304(a) of PROMESA, commencing a case under title III.

11. On June 29, 2017, the Oversight Board issued a restructuring certification to PREPA pursuant to PROMESA sections 104(j) and 206.

12. On July 2, 2017 (the “Petition Date”), the Oversight Board filed a voluntary petition for relief for PREPA pursuant to section 304(a) of PROMESA, commencing a case under title III thereof (the “PREPA Title III Case”).

13. On August 23, 2017, the Oversight Board filed a motion seeking joint administration of PREPA’s Title III Case with the other jointly administered Title III cases. (Case No. 17-03283-LTS; Dkt. no. 1149).

14. On September 13, 2017, the U.S. Trustee, with no objection, filed the *Urgent Motion of the United States Trustee Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code*

Section 105(A) for Entry of Order Appointing a Fee Examiner and Related Relief (Case No. 17-03283-LTS; Dkt. no. 1296).

15. On September 13, 2017, the Court entered an *Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(A) Appointing a Fee Examiner and Related Relief* (Case No. 17-03283; Dkt. no. 1416) (the “Fee Examiner Order”), appointing the Fee Examiner and outlining the Fee Examiner’s responsibilities, which include, but are not limited to: (1) the review of the applications filed by the professionals in these Title III cases; (2) developing case-specific guidelines; (3) establishing procedures to facilitate preparation and review of the applications; and (4) establishing procedures to resolve disputes concerning the applications.

18. On November 10, 2017, the Fee Examiner sent all the PROMESA Title III Professionals a Memorandum for Fee Review – Timeline and Process.

IV. CNRD Services and Retention

19. On July 1, 2017, PREPA retained CNRD to provide advice with respect to, *inter alia*, legal representation in State and District courts. CNRD was also retained to represent PREPA in all judicial and quasi-judicial actions as required by PREPA. CNRD was further retained to provide

all legal services as requested.³ Afterwards, on August 16, 2017, PREPA retained CNRD through a more detailed contract with respect to all PROMESA proceedings.⁴

20. During the Second Fee Period, CNRD represented PREPA professionally, efficiently and diligently, advising it on a variety of matters and issues in connection with the ordinary course of PREPA's Title III and general related litigation, as well as serving as local counsel to Greenberg Traurig, LLP, counsel for the Fiscal Agency and Financial Advisory serving as PREPA's fiscal agent.

21. Specifically, CNRD rendered services to PREPA in connection with the ordinary course of litigation issues, as well as operations as requested and as necessary and appropriate in furtherance of PREPA's restructuring efforts and operational issues attendant thereto.

22. The variety and complexity of the issues in this Title III Case and the need to cost-effectively act or respond to issues affecting PREPA's business operations on an expedited basis in furtherance of PREPA's needs required the expenditure of substantial time by CNRD personnel from multiple legal disciplines on an as-needed and requested basis. CNRD diligently and expeditiously represented PREPA.

V. Approval of First Interim Application for Compensation

23. On December 20, 2017, CNRD submitted its *First Interim Application for Compensation and Reimbursement of Expenses Incurred as Attorneys for the Puerto Rico Electric Power Authority from July 1, 2017 through September 30, 2017* (Case No. 17-03283; Dkt. no. 2135) (the "First Interim Application").

24. The compensation sought during in the First Interim Application was of \$220,295 and the

³ Professional Services Contract executed on July 1, 2017; hereinafter referred as, "General Legal Representation Contract"

⁴ Professional Services Contract executed on August 16, 2017; hereinafter referred as, "PROMESA Litigation Contract."

reimbursement of \$701.27.

25. The Fee Examiner submitted an initial report to the Title III Court recommending the approval of several applications for compensation which were uncontested (Case No. 17-03283; Dkt. no. 2645) (the “Fee Examiner Report”).

26. The First Interim Application was listed in the Fee Examiner Report as uncontested.

27. On March 7, 2018, after notice and a hearing, the Court entered an *Omnibus Order Awarding Interim Allowance of Compensation for Professional Services Rendered and Reimbursement of Expenses for the First Interim Compensation Period from May 3, through September 30, 2017* (Case No. 17-03283; Dkt. No. 2685) (the “First Interim Period Order”).

28. The First Interim Period Order granted the applications that were recommended in the Fee Examiner Report. As such, the First Interim Application was granted.

VI. Summary of Compliance with Amended Interim Compensation Order

29. This Application has been prepared in accordance with the Amended Interim Compensation Order.

30. CNRD seeks interim compensation for professional services rendered to PREPA during the Second Fee Period in the amount of \$273,165.00 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$1,458.10. During the Second Fee Period, CNRD attorneys expended a total of 994.20 hours for which compensation is requested.

31. As of the date hereof, CNRD has received payments from PREPA totaling \$67,535.00 for fees and \$354.90 for expenses, representing 15% of the fees and expenses for the Second Fee Period in accordance with the terms of the Amended Interim Compensation Order.

32. Accordingly, by this Fee Application, and to the extent such amounts have not been paid

by the time of the hearing on this Fee Application, CNRD seeks payment of all amounts outstanding, totaling \$206,733.20, which represents the aggregate amount of unpaid fees and expenses incurred between October 1, 2017 and December 31, 2017.

VII. Fees and Expenses Incurred During Second Fee Period

A. Customary Billing Disclosures

33. CNRD's hourly rates are set at a level designed to compensate CNRD fairly for the work of its attorneys and to cover fixed and routine expenses. In accordance with its agreement with PREPA, the hourly rates and corresponding rate structure utilized by CNRD in this Title III Case is substantially lower in comparison to the rates charged by other attorneys in the Title III Proceedings. The rates and rate structure reflect that such restructuring matters typically are national in scope and typically involve great complexity, high stakes, and severe time pressures.

34. Further, CNRD's rates as included in the contract have been registered with the Office of the Comptroller for the Commonwealth of Puerto Rico ("Office of the Comptroller"), pursuant to the laws and regulations of the Commonwealth of Puerto Rico. Due to the complexity and the specific targeted needs for legal representation and advice in the bankruptcy and federal litigation proceedings that the PROMESA Title III cases require, CNRD was awarded the PROMESA Litigation Contract on August 16, 2017, and is valid from August 16, 2017 to June 30, 2018. The PROMESA Litigation Contract has been registered by the Office of the Comptroller and thus, complies with the rules and regulations of the Commonwealth of Puerto Rico.

B. Fees Incurred During Second Fee Period

35. In the ordinary course of CNRD's practice, CNRD maintains computerized records of the time expended to render the professional services required by PREPA and its business operations. For the convenience of the Court and all parties-in-interest, attached hereto as **Exhibit B** is a

summary of fees incurred and hours expended during the Second Fee Period, setting forth the following information:

- a. the name of each attorney for whose work on this case compensation is sought;
- b. each attorney's year of bar admission
- c. the aggregate time expended and fees billed by each attorney during the Second Fee Period;
- d. the hourly billing rate for each attorney as disclosed in the Fee Application

C. Expenses Incurred During Second Fee Period

36. In the ordinary course of CNRD's practice, CNRD maintains a record of expenses incurred in the rendition of the professional services required by PREPA and its business operations and for which reimbursement is sought. Consistent with protocol established by the Fee Examiner in this Title III Case and CNRD's agreement with PREPA, CNRD charged no more than \$0.10 per page for standard copying services in this case. Since CNRD is home based in San Juan, Puerto Rico, where PREPA and its officers have their main offices, there has been no need to incur travel or lodging expenses yet. CNRD has also maximized the use of telephone conferences and electronic mail communications in order to avoid traveling expenses.

37. For the convenience of the Court and all parties-in-interest, attached hereto as **Exhibit C** is the detailed description of services provided for the Second Fee Period, which includes the total amount of reimbursement sought with respect to each category of expenses for which CNRD is seeking reimbursement.⁵

38. All of the expenses incurred by CNRD were actual and necessary expenses required to provide legal representation to PREPA.

VIII. Summary of Legal Services Rendered During the Second Fee Period

39. As discussed above, during the Second Fee Period, CNRD provided extensive and

⁵ For the purposes of preserving legal privileges, Exhibit C has been submitted in a redacted version.

important professional services to PREPA in connection with the ordinary course of business needs in the Title III proceeding and in the Title III litigation.

40. The following is a summary of CNRD's most relevant services provided during the Second Fee Period on behalf of PREPA:

a. General Bankruptcy Counseling

CNRD has furnished bankruptcy counseling to PREPA and its officers from the beginning of the Title III Case. These services include providing advice on how to proceed on the regular day-to-day business operations after the filing of the PREPA Title III Case, as well as the general litigation advice.

b. Bankruptcy litigation

CNRD has furnished specialized bankruptcy litigation advice to PREPA and its officers from the beginning of the PREPA Title III Case. These services include providing advice on several motions to be filed, legal strategies and actions to be followed.

c. Support to other employed professionals

CNRD has furnished services to PREPA in the form of assisting other professionals employed by the estate. Since CNRD has been PREPA's legal counsel for many years now, CNRD has been extremely helpful, cost-efficient and time-saving in providing necessary and relevant information from prior litigation and business operations. This has also helped saved time on fact gathering tasks. The most relevant support has been provided to AAFAF in order to assist in different tasks, like gathering information from PREPA's officers needed to pursue and promote the best interests of the estate, as well as advise on local law and

regulatory procedures already familiar to local counsel.

d. Enforcement of the automatic stay

CNRD has furnished services to PREPA in the form of enforcing the automatic stay against pending state, federal and administrative litigation. This has been performed through different tasks such as providing legal representation in different forums, filing notices of stay motions, providing notice to plaintiff's counsel of the filing by PREPA of the Title III Case and the automatic stay, and arguing against motions for lift or the modification of the automatic stay outside the Title III Court. CNRD has also assisted PREPA's in-house counsels in situations in which they have had to seek for the local courts or administrative forums to enforce the automatic stay to protect the estate.

e. Relief from Stay

CNRD has also represented PREPA in several extrajudicial and judicial requests for modification of lift of the automatic stay. CNRD receives notification from AAFAF or the FOMB when a creditor requests to meet and confer to discuss the possibility of lifting or modifying the automatic stay. When said notification is received, CNRD makes an investigation of the facts and controversies of each case, which causes the relevant entities to be in a better position to determine if the stay should be lifted, modified or kept in place. These services benefit the estate by providing a liquidated status to certain litigation of personal injury or wrongful deaths actions, or keep the automatic stay protection.

f. Adversary Proceedings

CNRD has provided legal services to PREPA in the form of representation in

adversary proceedings such as *Puerto Rico Electric Power Authority, et. al., v. Puerto Rico Energy Commission*, 17-00256-LTS⁶. CNRD has also provided advice to PREPA in regards to the status and relationship of other adversary proceedings filed which may directly affect PREPA and its estate.

g. Adversary Proceedings

CNRD has provided advise to PREPA on several investigations that took place during the Second Interim Period. These investigations also include requests for discovery made under the Federal Rule of Bankruptcy Procedure 2004. CRND actively and diligently performed investigations to gather information directly required by creditors, committees or the Oversight Board, or as request by AAFAF as PREPA's fiscal agent.

IX. CNRD's Requested Compensation and Reimbursement Should be Allowed

41. Section 317 of PROMESA provides for interim compensation of professionals and incorporates the substantive standards of section 316 of PROMESA to govern the Court's award of such compensation. Section 316 of PROMESA provides that a court may award a professional employed by the debtor (in the debtor's sole discretion) "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." Section 316 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, extent, and the value of such services, taking into account all relevant factors, including—(a) the time spent on such services; (b) the rates charged for such services; (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter; (d) whether the services were performed within a

⁶ Pending in the United States District Court for the District of Puerto Rico.

reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11, United States Code. 42 U.S.C. § 2176

42. CNRD respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to PREPA and its business operations and were rendered to protect and preserve PREPA's business operations. CNRD further believes that it performed the services for PREPA economically, effectively, and efficiently, and the results obtained benefited not only PREPA, but also its business operations and its clients. CNRD further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to PREPA, its business operations, and all parties-in-interest, and that the rates set forth in both the General Legal Representation Contract and the PROMESA Litigation Contract are reasonable and have been approved by PREPA and registered in the Office of the Comptroller.

43. During the Second Fee Period, 994.20 hours were expended by CNRD's partners, special counsels, and associate attorneys in providing the requested professional services. CNRD has made every effort to coordinate its efforts with those of other counsel in this case to avoid any duplication of efforts. The number of hours spent by CNRD is commensurate with the defined tasks CNRD has performed and continues to perform on the matters described herein, as also approved by PREPA and included in the engagement.

44. During the Second Fee Period, CNRD's hourly billing rates for attorneys ranged from \$250 to \$300. The hourly rates and corresponding rate structure utilized by CNRD in this case is consistent with the rates charged for representation of instrumentalities of the Commonwealth of

Puerto Rico, and have been registered with the Office of the Comptroller.

45. The rate structure included in this interim application is commensurate to the rate structure generally used by CNRD for restructuring work, bankruptcy, insolvency, federal litigation, and comparable matters, whether in court or otherwise, regardless of whether a fee application is required. CNRD strives to be efficient in the staffing of matters. These rates and the rate structure reflect that the matters worked by CNRD include novel matters of law and fact that are national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in this case.

46. Moreover, CNRD's hourly rates are set at a level which is lower than the rates paid to other professionals to compensate for the advice and work involved in a matter as novel and complex as the PROMESA litigation. Hourly rates vary with the experience and seniority of the individuals assigned. Further, these hourly rates may not be subject to adjustments unless new contracts are awarded and registered with the Office of the Comptroller. Therefore, the billing rate and structure presented in this Second Fee Application has remained the same as it was established in the First Fee Application.

47. As detailed above, the services CNRD provided to PREPA have resulted in substantial benefit to PREPA and its business operations.

48. CNRD represents and can demonstrate to this Court that the services rendered were performed in a reasonable amount of time, given the complexity of the issues involved and the many varied legal issues facing PREPA. CNRD's detailed and thorough records can demonstrate that the time expended on various tasks was necessary and appropriate for the representation of PREPA. From the earliest stages of CNRD's involvement, attempts were made to limit the hours worked, and to avoid duplication of services and other unnecessary costs. CNRD professionals

frequently provided services on behalf of PREPA under severe time constraints.

49. CNRD relies on the Court's experience and knowledge with respect to compensation awards in similar cases. Given that frame of reference, CNRD submits that, in light of the circumstances of the case and the substantial benefits derived from CNRD's assistance, compensation in the amount requested is fair and reasonable.

50. Further, CNRD certifies that the detailed time and expenses records included in Exhibit C, have been reviewed and approved by PREPA's officers.

51. In sum, CNRD respectfully submits that the professional services provided by CNRD on behalf of PREPA and its business operations in this case during the Second Fee Period and to date were necessary and appropriate given the complexity of this case, the time expended by CNRD, the nature and extent of CNRD's services, the value of CNRD's work and background knowledge into PREPA's operations, and the cost of comparable services outside of bankruptcy. All these factors are relevant as set forth in section 316 of PROMESA. Accordingly, and based on the factors outlined under sections 316 and 317 of PROMESA, the work performed by CNRD to date more than justify the allowance in full of CNRD's compensation and reimbursement requests.

X. Reservation of Rights and Notice

52. It is possible that some professional time expended or expenses incurred during the Second Fee Period are not reflected in the Fee Application. CNRD reserves the right to include such amounts in future fee applications. In addition, CNRD has provided notice of this Fee Application in accordance with the Amended Interim Compensation Order.

XI. No Prior Request

53. No prior application for the relief requested herein has been made to this or any other Court.

WHEREFORE, CNRD respectfully requests that the Court enter an order (a) awarding CNRD interim compensation for professional and paraprofessional services provided during the Second Fee Period in the amount of \$273,165.00, and reimbursement of actual, reasonable and necessary expenses incurred in the Second Fee Period in the amount of \$1,458.10; (b) authorizing and directing PREPA to remit payment to CNRD for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.
